

## Potential Squad

### The goals of the squad are:

- To produce players who are capable of reaching the top 4 of the NZ rankings in their age group.
- To produce players who are capable of representing New Zealand in the near future.

### Individual Coaching

Players will be offered sessions of individual coaching. They will have access to the District Coaching Co-ordinator or an assigned Coach on an individual basis and each will receive personalised training and competition programmes. Each player's goals will be determined by the player and the Coach. Reasonable effort will be made to accommodate player's timetables, but this cannot be guaranteed.

### Selection

- The Potential Squad will be selected on a combination of talent and potential by the junior Selectors
- Potential squad players will also be members of either the Development, Elite or Junior National Elite (JNE) squads
- Players may be added / removed throughout the year depending on the current selection criteria.
- Numbers will be dependant on the standard of players at any one time.
- All players will have an individual player agreement.
